

# Whyld Equestrian Coaching

Term I 2025

## Term Recap & What's Ahead

We are incredibly proud of how our riding school has grown and how far all our riders have come—especially our competition riders. Some have become confident and capable of managing their horses independently at shows, while others have taken the exciting step of purchasing their own horses!

Over the past few years, we've seen amazing growth and development, exactly what we envisioned for our riding community. Our goal has always been to provide riders with opportunities to challenge themselves and enjoy the full journey—from their first competition all the way to horse ownership and beyond.

As our program continues to evolve, we're always thinking about the best ways to support our riders' progress. To help foster even more independence and ownership, we'll be introducing new structured opportunities in Term 2. Keep an eye on your inbox—a detailed email is coming soon with everything you need to know!

Whyld Equestrian Coaching – Term 1 2025

## Term 1 Highlights:

Despite some unpredictable weather causing a few cancellations in the second half of the term, we were lucky to have Northside Combined Training go ahead—and what a fantastic day it was for Team Whyld!

Our riders turned up bright and early, full of energy despite the fog and drizzle.

- **Poppy on Sebastian, Carly on Tolly, and Allison on Donny** were the first to take on dressage, each putting in lovely tests that set them up well for their jumping rounds. Though a few wrong turns cost some placings, Allison and Donny brought home a ribbon!
- **Sabine and Blue** faced the challenge of their first ever show—a big milestone. Plenty of lessons learned and we're excited to see their return even stronger.
- **Abi and Danny** also delivered a beautiful dressage test and made a strong effort in their jumping round.
- **Ali on Reg and Charlotte on RJ** closed the day with solid performances in the higher-level dressage class.

A great outing all around, with everyone gaining valuable experience and new goals to work toward for the next event!

Another highlight was the **Deb Mills Dressage Clinic** and **Northside Dressage** event:

- **Lily and Chubby** tackled their very first dressage test! It's always a daunting debut, but they handled it beautifully—an excellent start to their dressage journey.
- **Ali and Reg** stepped up to their first Novice test, performing a solid round and setting a strong foundation for future success.
- **Charlotte and RJ** stole the show with two phenomenal tests that showcased their incredible partnership, earning 2nd place in both—an inspiring performance to watch!

Whyld Equestrian Coaching – Term 1 2025

## Holiday Programs:

There is still availability for our **holiday clinics and lease riding** opportunities!

We're offering:

- Dressage
- Show Jumping
- Cross Country clinics
- Lease Rides

These are open to **all levels**—don't worry if you're new to these disciplines! Our clinics are the perfect way to start your competition journey in a fun and supportive environment. It's also great prep for Term 2 competitions, helping you build confidence and strengthen your bond with your horse in a variety of settings.

## Term 2 Schedule:

Term 2 starts **Monday 28th April**.

Please note: **No lessons will run from Thursday 29th May to Wednesday 4th June** due to the Coonabarabran Interschools. Lessons will resume on **Thursday 5th June**.

For Lease bookings click the link [HERE](#).

Whylde Equestrian Coaching – Term 1 2025

---

Thank you all for a fantastic term! We're looking forward to a great winter season—hopefully not too chilly—and more exciting moments ahead.

From the Whyld Team.
