Whyld Equestrian Coaching Term 3 Newsletter

A word from Charlotte

First and foremost thank you all for being so supportive, accommodating and understanding to all the restrictions and changes we have experienced through the Covid 19 outbreak recently.

Welcome to our new clients who have joined us, we hope that you are enjoying your time with the horses and improving your riding and horsemanship skills.

Jack and Bentley have certainly kept the majority of us sane and grounded and have been the highlight of our days when we come to ride and visit.

Poor Bobby has been in lockdown with us all, with some hoof troubles, hopefully he will be back walking and comfortable very soon. I know he has been in all your thoughts and we both appreciate the support. It is never a good time when one of your animals is injured or sick.

Moving forward to Term 4 I have lesson agreements and lease contracts for you all to sign for the term plus a social media declaration.

Please have these returned to me by Saturday 25th September to secure your spot for term 4.

I have got to add GST to the lessons on invoices now and bank transfers.

Again, thank you for sharing my love and passion of horses and supporting me in this new business.

Highlights of the term

Well for me it was the purchase of my new Vehicle, this will aid us so much in being able to go to shows and transport all the equipment, plus Billy has a huge space to stretch out on the back seat! Just before Bobby sustained his first injury we had our first canter together it was so magical, all the hardwork just clicked. Unfortunately we haven't been back on since that day at the beginning of July but we will come back better and stronger hopefully. I have everything crossed.

And of course my two exceptional horses who amaze me every day with their efforts they put in to their lessons.

Going forward I am going to start to introduce some incentives for you lovely riders, with some prizes heading towards the Christmas break, your chance to win a gift voucher for a free lesson, and some of Whyld EC Merchandise.

- Rider of the term – Winner receives a gift voucher for a free lesson
- Most Improved – Whyld EC T shirt
- Most committed - Whyld EC Cap

If you would like to purchase any Caps or t shirts, rainjackets, jumpers, vests, let me know and I can send you a link.

Christmas Clean up and BBQ

Save the Date :- Tuesday 21st December 10am -3pm

EJ stables will be closing for the 2 week holiday so we had the great idea of coming together clients, friends, family and adjustees to have a mass group clean up for the yard.

Jobs would include to Clean the paddocks, stables, pressure wash, poo pick sweep the feed and hay room out, tidy arena etc.

Then to celebrate a wonderful year we can have a lovely BBQ and some drinks to reward our efforts and leave the yard sparkling for our horses to return in the new year.

Please let me know if your keen to celebrate and help out the more the merrier. Numbers depending on covid restrictions but hopefully will be back to some sort of normal by then.

Food for Thought

I will leave you with this powerful message that I live by:-

“If you have a vision follow your dreams, find good people and more importantly back yourself”

Happy riding from the Team here at Whyld EC.
