EQUESTRIAN COACHING

Term 2 2025

The second half of Term 2 brought some much-welcomed better weather, allowing for fantastic riding both at home and out at competitions. It's been a packed end to the term with WEC horse and rider combos out competing nearly every weekend. Here's a recap of what we've been up to!

Northside Hacking – 15th June

Northside held its first-ever Hacking competition in a long time, and it was a brilliant day out for our riders—full of ribbons and laughter! We had five horse and rider combinations representing WEC:

- Poppy on Sebastian
- Anabel on Donny
- Hannah on Dante
- Indi on Danny
- Freya on Whiskey

All ponies were scrubbed to a shine and dressed to impress in sparkly browbands, looking absolutely immaculate. The day included a mix of led classes, ridden classes, and a fun fancy dress event where Anabel and Donny turned heads dressed as Harry Potter!

Every single combo came home with ribbons—what a fun and successful day!

Hawkesbury Dressage Festival – 17th June

Charlotte and RJ made the trip to SIEC to compete in the CUR Novice 2.2 and Official Elementary 3.1. With a big atmosphere and high-level competition, RJ was a superstar, finishing **1st in the 2.2** and **3rd in the 3.1**. A fantastic result and a testament to their hard work and partnership!

Northside Dressage – 22nd June

Ali and Reg, and Rosie and Sebastian headed down the road to Northside Dressage for the Woolly Jumper Dressage Day.

- Ali and Reg tackled their very first solo competition in the Novice 2.1. Only their second time competing in the Novice category they had a great ride coming home with a lovely pink ribbon.
- Rosie and Sebastian completed two solid tests in the junior division, showing great independence and confidence at competition.

Camden Showjumping – 22nd June

Alexa and Wizard, and Charlotte and RJ attended a Showjumping Training Day at Camden for their first time at the venue.

- Alexa and Wizard had two clear rounds in the 95cm, working on smooth, clean lines.
- Charlotte and RJ jumped clear in both the 95cm and 105cm—great prep for bigger courses later in the season.

Northside Combined Training – 29th June

A big WEC group headed off to Northside for a fantastic day of Combined Training. It's always a busy yet fun day out with such a big team from WEC.

- Carly on Tolly and Anabel on Donny both had great jumping rounds.
- Chloe and Danny tackled their **first-ever competition**—and had a great day, we all know how stressful your first show can be!
- Gabby and Blue made their debut together. After just 10 weeks of training, they delivered lovely dressage and two clear SJ rounds.
- Rosie and Sebastian put down a beautiful dressage test.
- Lily and Chubby shone with a strong jumping round.
- Alexa had a huge day, taking Dante to her first comp and finishing **3rd overall**, while also riding Wizard to their best dressage result yet—**6th overall**!

A huge day out for WEC, and we couldn't be prouder of everyone.

Sydney Dressage – 6th July

Charlotte & RJ and Ali & Reg were back at SIEC for the Sydney Dressage competition.

- Charlotte and RJ celebrated a major milestone: their first Elementary 3.2 test. They also rode an outstanding Novice 2.3, finishing **2nd**. A special moment that reflects how far they've come as a team.
- Ali and Reg had their debut at SIEC. With Grand Prix horses warming up beside them, Reg decided to show a little extra flair—but they made the most of it and came away with a big day of learning and growth.

Holiday Plans

- **Week 1** includes clinics and off-property outings to sharpen dressage and jumping skills. As well as Charlotte, Alexa and Kyah heading out to Cambden for some showjumping.
- **Week 2**, a group of our school-level riders will represent WEC at **NSW Interschools at SIEC**! while Charlotte and RJ will be back in the white boards for **Hawkesbury Dressage**, ready to dance again!

We wish all competitors the very best of luck—can't wait to cheer you on and report back in the next newsletter!
