

# Whyld EQUESTRIAN COACHING

**Term 4 2025**

## End of Year Wrap-Up

What an awesome and incredibly busy year it's been at Whyld Equestrian Coaching! We've welcomed so many new faces to the barn, celebrated clients purchasing their very own horses and starting that exciting new chapter, and enjoyed a full competition calendar packed with fantastic results.

From debut competitions to massive improvements out at shows, it's been amazing to watch our riders grow in confidence and capability. A real highlight this year was seeing riders confidently take horses to competitions on their own, what a huge effort and milestone! We also fielded our biggest groups yet at Interschools Coonabarabran, ISHE, and Berry. The progress across the board has been something to be truly proud of.

## A Huge Thank You to Our Stable Hands

We are so grateful to our amazing stable hands from this year:

**Lucy** is such a huge part of the barn. The work she does behind the scenes, the care she gives to both horses and clients, and her attention to detail keeps everything running smoothly. Quite simply, we wouldn't function without her.

**Keisha** - while we have farewelled Keisha, we sincerely thank her for everything she contributed over the past year and wish her all the best moving forward.

Looking ahead to 2026, we are excited to welcome **Lola** and **Abi** as new stable hands. Their love and passion for the horses will be a wonderful asset to the team, and we can't wait to have them on board.

## Competition Highlights

Our competition riders have had a great end to the year, showing great sportsmanship, commitment, and continual improvement across all disciplines. From first-time competitors stepping into the ring, to seasoned riders polishing their skills at higher levels, the growth we've seen has been incredible. The focus this year has been on confident, correct riding, thoughtful preparation, and giving every horse a positive competition experience. We are especially proud of how riders supported one another at events, helped with horse care, and represented Whyld Equestrian Coaching so professionally both in and out of the arena.

## Competition Calendar 2026

We are currently mapping out the **2026 competition calendar** to give everyone plenty of time to plan ahead. Many of the larger shows have already released dates, while some events will be confirmed term by term. Our goal is to plan as much of the year as possible and help riders prepare for the competitions that best suit their goals.

## Thank You

Thank you all for the incredible support throughout such a big year. We truly wouldn't be the riding school we are without our amazing parents, families, and riders.

The atmosphere and vibe around the barn, and out at competitions, is what makes WEC so special, and that comes down to every single person who supports us. We're so proud of our community and can't wait to see what 2026 brings!

Merry Christmas to everyone, we hope you all have a fabulous break and look forward to seeing everyone back in 2026!
